Ghazali Public High School   **Jhang**
Matric, Science, 73%   *2002-2004*

Final Year Project

Bachelor Project: *Traffic Counting & Controlling through GSM Technology (Traffic Management solutions & Project Management Unit)*

An approved thesis and Final Year Project on "Traffic Counting and Controlling through GSM Technology", I was part of a team developing that project. This ambitious project requires strong team-working skills and high technical ability. I work well as part of the team, contributing in group discussions and taking initiative to set myself tasks when the next stage of the project is not clear. I was responsible for setting goals and ensuring all the electronic system designs are realized on time and meet the specifications of the project.

Technical and Personal skills

1. **CCNA (Routing & Switching)** Training

2. **MCSE 2012** MCP Certified

3. **Industry Software Skills:** Matlab (Intermediate),Solarwind Monitoring Software, Mikrotik DUDE Network Monitoring, Most MS Office including MS Visio,MS Windows, LaTeX(Intermediate).

4. **General Business Skills:** Good presentation skills, Works well in a team.

5. **Other:** Good hardware and software troubleshooting skills, Can write well organised and structured reports.Strong analytical skills, Quick learner and good level of adoption to new systems.

Interests and extra-curricular activity

- Reading Books and Internet Surfing (Having interest in Studying Computer Networks).

- Participate in all kinds of outdoor sports and activities, particularly cricket, Badminton

- Watching Movies and TV.

- I also have the memberships of **Institute of Engineers Pakistan** and **Pakistan Engineering Congress**.
